Descripción de Propiedad

This 1,501 square meter lot in Bijagual de Turrubares, located in front of National Route 320, offers ample and versatile space in a strategic location. With a considerable size, this land is ideal for residential, commercial or investment projects, providing multiple possibilities to develop according to your needs and vision. The lot has direct access to the main road, providing excellent connectivity and visibility. In addition, it is fully equipped with all basic services, including electricity, drinking water and telecommunications, ensuring that any project undertaken can be carried out without additional complications. The Bijagual de Turrubares area is characterized by its natural environment, with green landscapes and a peaceful atmosphere that offers an ideal refuge away from the hustle and bustle of the city, without sacrificing accessibility. This location combines the best of rural life with the convenience of being close to main roads, facilitating travel to nearby urban areas.
