Descripción de Propiedad

3.7 hectare farm for sale located in the center of Bijagual de Turrubares, a privileged and easily accessible natural environment. The property has one well-built houses, perfect for residential use or as staff accommodation if a project is to be developed. The farm is suitable for various activities, including agriculture, livestock or the development of a tourism project, thanks to its fertile soil and the scenic beauty of the area. It has permanent water sources that guarantee a constant supply and gentle hills that add charm to the landscape and facilitate the handling of machinery or the transit of animals. In addition, the property has all essential services, such as electricity, drinking water and access to a telecommunications network, making it an ideal opportunity for those looking to invest in a rural environment with development potential and comfort.
