Descripción de Propiedad

The Osa Peninsula is an untouched and pristine area that ranks among the world's most biodiverse nature reserves. An extraordinary realm, where the breathtaking landscape of the tropical forest intertwines with the opulence and splendor of the Pacific Ocean. The area is situated in a strategic location within the Golfo Dulce Forestal Reserve, namely on the Peninsula of Osa. It is positioned between the Corcovado National Park and the Las Esquinas and Piedras Blancas National Parks. The Golfo Dulce, Peninsula de Osa is a remarkable destination for individuals in search of adventure and a close encounter with nature. This serene location boasts a diverse and abundant plant and animal life, providing an exciting backdrop for exploration. The Osa Peninsula is renowned for its exceptional biodiversity, making it one of the most pristine and untouched natural reserves globally. This property is characterized by the exquisite combination of the breathtaking tropical rainforest scenery and the serene and abundant beauty of the Golfo Dulce and the Pacific Ocean.
