Descripción de Propiedad

Land Area: Approximately 45,496 m² Property located in the El Seis area of Santa Teresita, just 5–10 minutes from the center of Santa Teresita. The property has water and electricity, as well as an entrance gate and an internal road that allows access throughout the property and leads to one of the higher areas of the land. The property features varied terrain, including flat areas, sloped sections, and forested areas. It is currently used for cattle farming and has cattle on the property, and it is fully fenced, making it well-suited for this type of activity. Main features: Excellent land for cattle farming. Entrance gate providing access to the property. Internal road providing access throughout the property and to the higher areas. Older building that could be used as a storage area or barn. Fully fenced property. Access to a waterfall. Forested areas and natural spaces.
