Property Description

A private cove and a little beach are located on the west side of Flamingo Beach's south ridge, which slopes from the mountain range that runs along its western boundary. All around the property, this region offers stunning views of the Pacific Ocean. The stunning island Isla de Loros can be seen from every part of the property. The rocky, twisting coastline that forms the lower part of the cove is surrounded by a small, private beach. The area offers stunning views of Playa Conchal, Isla de Loros, and other nearby locations. This lovely location has been divided into zones for both commercial and residential use. -tv
