Property Description

Lot 7 is a 2.5 acre lot featuring two cleared flat building sites, or plantels, that can be incorporated for 1 large home, or 2 smaller ones. The views are amazing and lot 7 is super private. La Colina Verde is conveniently located in the Alexander Skutch Bio Corridor and is just a short drive away from the pacific beaches. The property is also on the same road as Toronto's York University research center "Las Nubes" so you will never feel too isolated. With endless hiking opportunities in Chirripo National Park and the famous "Alta Gracia" resort just a stone's throw away, you will have plenty of opportunities to enjoy the beauty and diversity of the area. In addition to its stunning natural beauty, La Colina Verde is also close to the growing town of San Isidro del General, where you will find excellent hospitals, many restaurants, a fantastic farmer's market, and a thriving arts and entertainment scene.
