Property Description

Lots 1, 2, & 3 range from .5 to .6 acres in size and are priced at \$60,000, \$65,000 and \$70,000 respectively. These lots are each separately accessible from the public road that links La Colina Verde with neighboring Vistas del Chirripo. The latter community is currently sold out. These three lots offer great views, easy access, and an affordable price! La Colina Verde is conveniently located in the Alexander Skutch Bio Corridor and is just a short drive away from the pacific beaches. The property is also on the same road as Toronto's York University research center "Las Nubes" so you will never feel too isolated. With endless hiking opportunities in Chirripo National Park and the famous "Alta Gracia" resort just a stone's throw away, you will have plenty of opportunities to enjoy the beauty and diversity of the area. In addition to its stunning natural beauty, La Colina Verde is also close to the growing town of San Isidro del General, where you will find excellent hospitals, many restaurants, a fantastic farmer's market, and a thriving arts and entertainment scene.
