Property Description

Casa Buena Vibra is situated on one of the project's top ocean view properties. It is currently the greatest option in Playa Grande for those seeking maximum comfort in Guanacaste's best beach residential area.- Located in Guanacaste's best gated community.- The area's best under construction beach view home.- Outstanding architecture and designThe scenery and sea breeze can be felt throughout the property, from the bedrooms to the living area. This work of art was designed with every detail in mind. There is currently no such magnificent project under construction in this area of Guanacaste.The house will be finished in the second quarter of 2023, just in time for the green season in Costa Rica.Las Ventanas, which is separated into five infrastructure-ready neighborhoods, has more than 60 full-time residents. The resident's clubhouse, which contains a west-facing ocean-view pool and a family recreational space, is located in the San Pedro subdivision.
