Property Description

You're going to love Casa Mela... with its state of the art design, close proximity to the beach, and close proximity to the shops and services of Uvita's town center. This home checks all the key boxes for rental (walk to the beach, pool, contemporary design) and also affords families the convenience and lifestyle they are looking for. This contemporary home sits at the end of a cul-de-sac and the land fans out from the street to the backyard bordered by a creek. The house is a contemporary 2-bed/2-bath layout with clean lines and a bright feel. The bedrooms are on opposite sides of the house, with a great room (living/kitchen) between them. The master bedroom has a walk-out slider to its own patio with hammock and pool access. The guest bedroom and bathroom are spacious. As with most houses in Costa Rica, life happens outdoors. There is space for cooking on the bbq, dining and lounging on the pool patio.
