Property Description

Elegant 4 BR House plus Office for Sale in Santa Ana This elegant, contemporary home is for the discerning buyer who values luxury and spaciousness in a secure family community; close to all of the area's services. The first floor features a formal entryway that leads to the spacious living room/dining room with porcelain floors and a large wall of floor to ceiling windows that open completely, accordion style, to increase the space to the large covered terrace. The kitchen is a chef's dream with stainless steel appliances, a center island, granite countertops and a pantry. There is an office on the first floor with a full bathroom that could also be converted to a bedroom. The laundry room is very large with a lot of storage and there are maid's quarters too. On the second floor there is a nice family room with a balcony and views of the mountains. The master suite has air conditioning and a spacious dressing area with a walk-in closet and bathroom with twin sinks and shower.
