Property Description

This beautiful 2 bedroom home was designed by Juan Robles who is well known for his contemporary designs. It is located in a secure and quiet enclave of just 2 homes in Rio Oro, Santa Ana; just 10 minutes to the Forum and commercial services. All on one level, the floor plan flows seamlessly from the open kitchen, dining room and living room to the outside terraces and captures the natural light. With luxurious finishes throughout the home – travertine marble floors, granite countertops, marble bathrooms, solid wood doors, and high ceilings. The master bedroom has a large ensuite bath, walk-in closet and small terrace. The media room can also double as a home office. • Lot 4,500m2, construction 200m2 • 2 bedrooms, 2.5 baths • Luxurious finishes: travertine marble floors, granite countertops and marble baths • High ceilings and natural light • Semi-furnished – appliances and master bedroom furniture • Secure - gated entrance with intercom, closed circuit cameras and alarm Just one year old, this lovely home is perfect for those with discriminating tastes who want some solitude yet close to Santa Ana and Escazu.
