Property Description

This inviting home is located in a small residential neighborhood which is walking distance to the Marino Ballena National park. One of the first homes built in the neighborhood, it has mature gardening and great privacy from the neighbors. The home features a warm style of decor, making you feel right at home while easily enjoying everything that the Costa Ballena has to offer. This kitchen features a large island and ample cabinetry for storage and is united with the comfortable living area. To the right side of the main area is found a full bathroom and the guest bedroom, which enjoys direct access to the poolside terrace. On the other side of the home is found the master bedroom with en suite bathroom, walk-in closet and direct access to the terrace. The home also holds an private office space and storage bodega. The pool is surrounded by the tropical landscaping, providing a private place to enjoy after a walk to the beach or when entertaining friends and family.
