Property Description

This private home and guesthouse property was completed at the beginning of 2019 and has one of the best locations for enjoying all that the beautiful coastal town of Uvita while being in an established quiet residential area. The tropical design of this 3 bedroom main home and guesthouse property truly creates an oasis like feeling as soon as you enter the property. The main home features a clean design with an open layout. The kitchen and living room unite together and open up to a large outdoor poolside terrace that is ideal for relaxing or entertaining. Finishes such as tropical wood posts, polished concrete floors, cedar doors and cabinetry, and granite countertops blend with the jungle decor to provide a tropical modern feel with a hint of luxury. The 3 bedrooms are spacious and enjoy ample natural lighting which highlights the modern design. Beautiful hardwood built ins complement each room.
