Property Description

Comfortable house for rent near the center of the capital. Being close to the main lung of the city, La Sabana Park. Close to everything but at the same time far from the annoying noise. The house was built with seismic design, has a garage for one car. Beautiful solid wood doors and floors of the same material. Comes with curtains and classical lamps type "Chandeliere". The first floor of the house is nicely ventilated by a courtyard that allows abundant natural light to every corner of the house. Also in this first level is the dining room, the kitchen, the living room, half bathroom, laundry area, master bedroom with bathroom and closet. Climbing the stairs you can enjoy the oval skylight, you reach the second floor, where you have a comfortable reception room, a small room, which can be used even as a maid's room with its own bathroom and closet. The second level has two additional bedrooms, one of which can be used as a comfortable office, which has fine wood furniture to organize a comprehensive library or a number of ornaments.
