Property Description

Iconic views, an incredible location in the heart of Manuel Antonio, stunning architecture, and impeccable interior design are just a few of the elements which make Villa Zest a one of a kind opportunity. Villa Zest, set to be completed with its custom build the first of May of this year, has been designed to be a luxury rental and personal use estate home. The developer, who has built other homes and successful rental programs, has brought all of his experience and previous knowledge to this masterpiece which focuses on providing a home that will have a total of 6 luxurious bedrooms, 7 bathrooms and can immediately become one of the areas strongest luxury rental options. The expansive home provides luxury and space at every level with a total of 5489 sq. feet of internal living space and another 3153 feet of under roof open air living space. The location on Pacific Canyon Drive is impossible to beat, providing postcard views of Manuel Antonio National Park, Cathedral Point, and the Pacific Coastline from nearly every level of the home while offering the convenience of having all of the area's top restaurants and amenities just a few hundred yards away.
