Property Description

The Palms Private Residences, very possibly the most gorgeous setting in Costa Rica, is definitely a slice of heaven on Earth. You'll never want to leave once you've arrived on the most remote stretch of Flamingo Beach. Owning here gives you access to a comprehensive crew that includes 24/7 security, housekeeping, and onsite gardeners who keep the property in beautiful condition. You'll also have access to a daily concierge as well as a poolside bar tender to sip your favorite drink while enjoying the amazing Flamingo sunsets from the infinity-edge pool. A separate pool is offered for adults exclusively, providing a more tranquil environment. The gym facility faces Flamingo's white sand beach and has floor to ceiling windows that provide wonderful views while running on the treadmill. In terms of gourmet dining, The Palms provides access to the whole menu of the exclusive beachside restaurant Coco Loco, which is located just adjacent to the hotel.
