Property Description

Derived from a fusion of the Bribri words "Yu" meaning peace, and "Sara", a modified form of "Sarapiqui", a river known for its serenity. Yusara embodies the tranquil spirit of Nosara's beach and jungle. In the local folklore, the ancient elders used to tell stories of a mystical place called Yusara, a sanctuary where the sound of the ocean's waves and the rustling of the jungle leaves come together in a harmonious symphony of tranquility. Here, the balance between mankind and nature is perfectly maintained. Escape to the captivating shores of Playa Pelada and indulge in the ultimate vacation experience at Villa Yusara – where two exquisite villas, #1 and #2, come together to offer you a lavish 3-bedroom, 3-bathroom that can comfortably accommodate up to 6 people. Villa Yusara #1 featuring 2 bedrooms with plush queen beds that promise nights of unparalleled comfort. Step outside onto your own piece of paradise – a private dipping pool with a mesmerizing lighted waterfall that cascades tranquility.
