Property Description

The views and location make this home unique! This property is perched on the front row ocean view ridge overlooking the Terraba Rivermouth and Tortuga Beach in Ojochal. Also, from the vantage point of the viewing decks, you can look south and see Drake's Bay and the southern coastline. During our summer months, the sun sets over Tortuga Beach, giving you another reason to stay home to enjoy the sunsets from the pool or the open-air living room. Due to its front ridge location, this home receives unobstructed ocean breezes, keeping you cool all day long! The easy 2x4 access is on a well-maintained public road only 3 minutes off the coastal highway. Having easy access is convenient for you and any rental guests. The Citrus Plaza, supermarket, and most of Ojochal's best restaurants are right at your fingertips, giving you many great options to choose from to create your dining experience.
