Property Description

Nestled amidst the lush landscapes and breathtaking natural beauty of Grecia, we are pleased to offer an exceptional opportunity to those seeking a serene and sustainable lifestyle. Imagine owning a vast meadow of 5000m2, perfect for living, farming and gardening. This property offers more than just land; it presents a remarkable canvas packed with potential. Enjoy the satisfaction of building your own dream home. Surround yourself with your own crops and enjoy the wonder of nature's abundant blessings. The property has a range of possibilities, it already has fruit trees and a fishing pond. And the structure of a swimming pool is already present. It also has a simple house that can serve as a caretakers house. Or if you want, you can build your main house on this spot. The retaining wall has already been placed. And water and electra are already in place. Immerse yourself in the symphony of Grecia's diverse fauna and flora.
