Property Description

This stunning villa is located in the heart of the "Gold Coast of Costa Rica", a popular tourist destination known for its sport fishing and unique marina. The property is situated on a 5,848 m² plot of land in a gated community and boasts a beautifully landscaped garden with panoramic views of the ocean and mountains visible from all rooms. The villa is architect-designed and blends seamlessly into its surroundings, making it a true tropical paradise. The villa features a spacious living room, dining room, and kitchen, as well as four bedrooms with en-suite bathrooms. A covered terrace runs the length of the villa, providing the perfect spot to relax and take in the breathtaking views. The property also includes a large garage with a laundry-storage room and a huge 80 m² infinity pool that overlooks the bay of Flamingo/Potrero. In addition to the main villa, there is a separate studio with its own entrance that includes a living room, kitchen, bedroom, and bathroom.
