Property Description

Welcome to the listing for the spacious ground floor 3 bedroom Condo located within the Tamarindo Azul complex. Tamarindo Azul is a quaint and pretty condominium situated a short 10-min walk to the beach and sought after amenities of Tamarindo. There are only 6 units in this building, which consists of two towers, well-maintained grounds and a common pool and BBQ area. This results in a very peaceful and quiet residence perfect for bringing the family on vacation or offering a quality rental to your guests. Recently updated in 2021 with some fresh paint, new AC units and furnishings, this home is bright and airy. As you enter the property, you are greeted by the large and spacious kitchen and living area. There are sliding doors on the full length of the condo giving you a pleasant cross breeze and, of course, an abundance of natural light. There are 2 guest bedrooms, both with built-in wardrobes and mini split AC units, and then we have a large master bedroom which boasts an ensuite bathroom as well as the aforementioned built-in closets and AC units.
