Property Description

Introducing Casa Aqua, an exquisite vacation home designed for leisure and entertainment, nestled within the Eco Golf Estates Community at Los Sueños Resort, Costa Rica. This remarkable property spans over 8000 square feet, featuring 5 bedrooms, 5.5 bathrooms, and a bonus room, providing an ideal haven for larger gatherings of family and friends. Casa Aqua stands out not only for its opulence but also for its commitment to environmental responsibility. With 75 solar panels on the roof, it ranks among the few residences in the resort embracing green energy. This eco-friendly approach not only benefits the planet but also results in substantial savings on energy expenses. As the newest addition to the resort, Casa Aqua boasts heavenly beds and bedding, blackout curtains in each room, spacious bedrooms and bathrooms, and an unrivaled outdoor entertainment area with an infinity pool. The residence features a sprawling, open-concept chef's kitchen equipped with a professional eight-burner gas range, built-in refrigerator and freezer, top-of-the-line appliances, and a capacious kitchen island with bar-stools for casual dining.
