When you enter the house, you're welcomed by a fully equipped open-plan kitchen with a large center island. The center island can seat 4 people. To the right when you enter the house is the Master bedroom with a queen bed, an ensuite bathroom as well as a sliding door that opens out onto the patio and pool area. With large sliding doors that open out onto the patio from the kitchen, you have optimal natural light and airflow coming into the house. Next to the kitchen is a living area with an L-shaped couch and TV. There are two bedrooms upstairs, each with a queen bed ensuite bathroom, and walk-in shower.
