Picture this: You step into a bright and airy living space with high ceilings and big windows that let in lots of sunlight and let you see the amazing ocean views. Connected to this space is a big terrace and a cool swimming pool where you can hang out and enjoy the view. Whether you're chilling on the comfy couch, having a meal at the dining table, or just soaking up the sun on the lounge chairs, you'll love every moment of it. There are two cozy bedrooms, each with its own bathroom for privacy. The main bedroom has a big comfy bed, a desk, plenty of closet space, and air conditioning to keep you cool. The second bedroom is flexible – it has two single beds that can be pushed together to make a bigger one if you want.
