Property Description

Nestled in the upscale community of Langosta, just a short drive or leisurely 15-minute beachfront stroll from downtown Tamarindo, Bahia Langosta condominiums offer an unparalleled beachfront living experience. The complex, one of the first on this pristine white sand beach and estuary, boasts a variety of accommodations including beachfront townhomes and spacious 1-2 and 3-bedroom condos. This particular beachfront townhome features two generously sized bedrooms, each with its own ensuite bathroom. What sets it apart is the meticulous renovation and furnishing by the current owner, elevating it to a level of luxury unmatched by other units in the complex. The result is not only a stunning private retreat but also a lucrative rental opportunity when not in use. Bahia Langosta appeals not only to upscale families but also to surfers, beachcombers, and retirees alike. With three surf breaks within a block, abundant wildlife including howler monkeys, nesting sea turtles, and hummingbirds, and convenient access to Langosta's grocery store and local restaurants, the location offers the perfect blend of tranquility and convenience.
