Property Description

The Community This bright and spacious 3-bedroom + bonus-room home is nestled within the prestigious “Puesta del Sol” (Phase 10) community in Ojochal, Costa Rica. This gated community is the perfect combination of land size, upscale homes, views & protected green space. This gated Puesta del Sol community is one of the few in the area with 24-hour security guards and fully-electronic gates for home security and easy access. So, you can feel confident that your property and your guests will be safe and sound. The community also maintains all common areas including the front gate, community gathering spot, green spaces & the interior road system. This property and the community are a true haven for those seeking a safe, family-friendly escape in paradise and must be seen in person to be fully appreciated. The Grounds Upon arrival, you will find that the home offers a couple of convenient methods of access including a covered carport by the road with easy entry/exit plus it has a gated-entry option for you drive up to the front of the home as well.
