Property Description

Located just 8 minutes from downtown Atenas and adjacent to a well-known community, this expansive property offers a large wooded area with several cleared spaces ideal for future construction. The lower section features a well-maintained 3-bedroom house, plus an additional concrete building suitable for staff or storage. Exotic plants enrich the grounds, creating a lush, private environment. A registered well provides a reliable water source, complemented by rights to use water from a small river along the lower property, perfect for garden irrigation. A large underground water storage tank on the upper area supports future development, and a utility room with electric connections is already in place. Elevated sections offer stunning mountain views.
