

Lot for Sale in Santa Eulalia de Atenas

Atenas, Alajuela

\$25,505

Reference: 22518

Property Type: Land • Lot Size: 230 sq m •

• Status: Active/Published

Property Description

Take advantage of an exceptional opportunity to own a prime piece of land just minutes from the heart of Atenas. Perfectly positioned near schools and colleges, this lot offers both convenience and accessibility, making it ideal for a home, investment, or small business project. • Prime location only 5 minutes from downtown Atenas • Easy access from the main road • Close to schools, colleges, shops, and local services • Flat and usable land, ready for construction • Ideal for residential, commercial, or mixed-use projects • Peaceful surroundings while remaining close to the town center This lot combines the best of both worlds: the convenience of being near essential services and the potential to create a private or functional space. Whether you're looking to build your dream home, a rental property, or a small commercial venture, this property offers flexibility and accessibility in one of Atenas's most desirable areas.
