Property Description

Playa Lagarto Eco Development Lot B9 is now for sale! This lot is at the back of the development, flat and ready to build. Water letter and Electricity letters ready to go. Sit high up on the hills overlooking the jungle and enjoying a water view that will not be interrupted. The perfect location for that infinity pool to be built if you like. The lot is easy to access and at the end drops off allowing you to keep that gorgeous view and no one below can build in front! Monkeys and wildlife abound, lots of trees and privacy to enjoy.
