Property Description

El Palacete Flamingo is an unrivaled luxury home perched directly above the white sand of Playa Flamingo, Guanacaste's fastest-growing luxury destination. Completed in March 2025, the home combines vast ocean views with precision craftsmanship and superior quality construction. This is an ultra-exclusive location—El Palacete is only 200 meters from the ocean on Flamingo's prestigious south ridge. The property has an irreplaceable vantage point that offers unique ocean views, including the surf rolling onto the sand below, as well as a scenic look at the new Flamingo Marina, which has transformed the area into an international hotspot. El Palacete's 7-bedroom floorplan was masterfully designed to celebrate the awe-inspiring scenery; stunning views are featured from the kitchen through its guest suites. The expansive patio and pool project out toward the Pacific, providing a quasi-oceanfront terrace that will be a breathtaking space for entertaining.
