- Income Producing
- Split Air Conditioning

Property Description

This 16-room hotel is located in Playa Naranjo, a short walk from a white sand beach, on the Nicoya Peninsula's eastcoast's paved main road. It is 300 meters from the Puntarenas ferry station, which has four daily sailings. There is an air-conditioned restaurant, bars, and seating places on the ferry. Jicaral, the area's main town, is a 15-minute drive away and has banks, supermarkets, a medical clinic, schools, government offices, restaurants, and other facilities. The paved road continues for another 26 kilometers to Paquera, where there is another Puntarenas ferry station and the main road to Tambor and the West Coast. The hotel is built on 2,696.3 M2 (29,013 sq. ft.) of property with a broad highway frontage. The property is surrounded by a high wall for solitude, making it perfect for private club use. On the property, there is a separate two-bedroom cottage for the manager or for rent.
