Property Description

Own Your Slice of Pura Vida in Turrialba's Coffee Country! Discover Quintas in Turrialba, over 100 exclusive large rural plots for sale in Turrialba, Costa Rica. Nestled in a historic coffee plantation, these rural properties offer breathtaking views of the Turrialba Volcano and Irazú Volcano, fertile volcanic soil, and a serene escape just 2 hours from San José. Starting at 5,000 m² with prices from \$6/m², these quintas are perfect for your dream home, eco-retreat, or boutique farm, surrounded by Turrialba's world-class adventures and vibrant community. Please see the photo gallery for individual pricing. What is Quinta? In Costa Rican real estate, a "quinta" generally refers to a rural property or small farm primarily used as a recreational home or getaway, typically larger than a standard residential lot, often ranging from 5,000 to 10,000 square meters (1.25 to 2.5 acres) or even larger.
