Property Description

Unique Eco-Friendly Project near Playa Tamarindo Immersed in Nature, yet centrally located in Santa Rosa's charming village, this fully landscaped large 1.3 Acre property offers the perfect balance of sustainable living and comfortable life style. Centrally located, this airbnb project with spacious Owner's house is about 15 minutes drive from everything Tamarindo area has to offer. Whether for your guests who visit the area or your family living the Pura Vida life style, this property is a short drive to dozens of beaches, activities, schools, supermarkets. Perfectly laid out in the lush tropical gardens and surrounded by local wildlife on a daily basis, this project offers a Rental area and an Owner's quarters, both very private with their own access, a great combination for airbnb hosts & guests. The front of the property features the 3 adorable 1-bed cabins, made of local wood, typical palm roof and exotic outdoor bathroom nicely blending in Nature and surrounding the magnificent pool area, perfect to cool off & watch howler monkeys & birds.
