Property Description

Casa Axis – A Design-Forward Residence in Senderos, Tamarindo Casa Axis is the result of a collaboration between Senderos Product Development and the award-winning team at Inverse Architecture. This thoughtfully designed home brings together modern luxury, environmental awareness, and a strong connection to nature. Property Overview Designed around the arc of the sun, Casa Axis is oriented to capture both sunrise and sunset views directly from the primary bedroom. The home embraces an indoor-outdoor lifestyle, offering refined beach living within one of Tamarindo's most exclusive gated communities. Casa Axis Highlights • Arc-of-the-sun alignment maximizing natural light and views throughout the day • East-west orientation designed to enhance privacy, sunlight, and integration with the surrounding landscape • Seamless indoor-outdoor living with expansive entertaining areas and a gourmet chef's kitchen • Saltwater swimming pool and outdoor BBQ lounge ideal for relaxing or hosting gatherings • Functional comforts including ample storage, a whole-house water-softening system, and low-water-use landscaping • Lush tropical landscaping that enhances privacy and sustainability About Senderos Senderos is Tamarindo's premier in-town gated community, offering eco-conscious luxury living with exceptional amenities and panoramic views of the Pacific Ocean, Las Baulas National Marine Park, and the vibrant surf town of Tamarindo.
