Property Description

Completed in 2023, this single-level residence offers a fresh, modern aesthetic in one of Guanacaste’s most renowned ecological communities. The home is set on Lot #14, a generous 9,397 m² (2.32 acres) parcel, providing privacy, forested views, and close proximity to the community’s resort-style amenities. Measuring 1,500 square feet, the home features three bedrooms and two bathrooms, thoughtfully arranged to create a seamless, open living experience. Expansive sliding glass doors connect the main living space with the covered back patio, where the property’s gentle slope opens a panorama of treetops—a perfect setting for morning coffee or evening gatherings. The design emphasizes natural light and ventilation, while the fully furnished, turnkey offering ensures a smooth transition for its next owners. The asking price includes all furnishings and appliances, making the home move-in ready.
