Property Description

Discover modern coastal living at LIVE, an exciting new 20-story condominium project located just one block from the beach in the heart of Jacó. Only 50 miles from Juan Santamaría International Airport, this development offers the perfect balance of beach lifestyle, convenience, and investment potential. This brand-new 2-bedroom, 1-bath residence is located on the 11th floor and showcases beautiful mountain views. The unit is being sold new, with delivery scheduled for January 2026. Please note: Photos are architectural renderings. Construction is nearing completion. Designed with a modern tropical aesthetic, LIVE residences feature private terraces, abundant natural light, excellent cross-ventilation, and mini-split A/C systems for year-round comfort. Everything you need is within walking distance, including restaurants, grocery stores, banks, and the beach. The location also provides quick access to some of the Central Pacific's most popular destinations such as Playa Hermosa, Marina Los Sueños, and Playa Esterillos—making it ideal for surf lovers and outdoor enthusiasts.
