Property Description

Casa Sirena is a striking 10,000-square-foot, two-story oceanfront residence crowned by a third-level social and entertainment space designed to fully embrace Costa Rica's outdoor lifestyle. Created by the renowned Costa Rican architectural firm Alianz, the home showcases a sleek, modern design tailored for upscale coastal living. The setting delivers relaxed beachfront energy while remaining just moments from Jacó's vibrant selection of restaurants, boutiques, and nightlife—offering the perfect balance between tranquility and convenience. The estate features seven bedrooms in the main residence, plus two additional guest suites located above the garage, for a total of nine bedrooms, complemented by seven full bathrooms and four half baths. A private elevator, resort-style swimming pool, jacuzzi, and an exceptional collection of outdoor entertainment areas elevate the experience, creating multiple spaces for gathering, relaxing, and entertaining by the ocean.
