Property Description

Welcome to Casa Guana Lux, a sophisticated golf-front residence located in the prestigious Reserva de Golf community within Hacienda Pinilla, one of Costa Rica's most sought-after resort destinations. Set along the fairway and embraced by a lush natural corridor known locally as the "Monkey Trail," this home offers a rare combination of privacy and connection to nature. A protected strip of tropical forest creates a serene buffer between the property and the golf course, attracting wildlife such as howler monkeys and vibrant tropical birds, while preserving peaceful, uninterrupted views. Designed with a modern tropical aesthetic, the home seamlessly blends indoor and outdoor living. Expansive glass openings, clean architectural lines, and natural materials invite sunlight and gentle breezes throughout the space, creating an atmosphere that feels both elegant and relaxed. Every detail has been carefully considered to enhance comfort while maintaining a strong connection to the surrounding landscape.
