Property Description

Welcome to Casa de Luz, a world-class beachfront estate set along the prestigious shores of Playa Langosta, just minutes from Tamarindo. Spanning two titled oceanfront lots totaling 1,463 m², this gated Spanish colonial villa offers approximately 7,200 sq ft of living space, complete with a private honeymoon casita just steps from the waves—an exceptionally rare offering on Costa Rica's Pacific coast. Designed for both luxury living and high-performing rental use, the estate accommodates up to 23 guests across multiple suites, including five king bedrooms, additional guest rooms, a bunkroom, casita, and guardhouse suite. Rich architectural details—such as locally crafted wood ceilings, Spanish tile, and curated Costa Rican artwork—blend seamlessly with modern comforts to create a timeless coastal retreat. Outdoor living is at the heart of the property, featuring an infinity pool, palapa bar, hammocks, and a private beachfront clearing—perfect for entertaining, events, or quiet sunset moments.
