Property Description

Versatile Project: Ecotourism, Development, or Private Retreat Located in the serene mountains of Piedades Norte de San Ramon, this expansive property offers a rare combination of privacy, fertile land, and massive development potential. At an altitude of 1,000 meters, you'll enjoy one of the best climates in Costa Rica a year-round spring-like temperature ranging from 66°F to 84°F. Pure Water and Abundant Harvests This is a true "water-rich" property. It is bordered by the beautiful La Paz River and features its very own natural spring. The soil is incredibly fertile and currently hosts a productive coffee plantation, various fruit trees (lemons, bananas, cocoa), and a vibrant collection of exotic tropical flowers. Two Charming Residences The estate includes two distinct homes, providing immediate living space or rental income: The Cedar Cabin (75 m2): A beautiful home crafted from fine cedar wood.
