Property Description

Located in Bahia de Uvita, this adorable bungalow is situated in a peaceful, sought-after area with modest-sized homes and friendly neighbors! Natural beauty, proximity to multiple beaches, safety, simple living, and incredible investment potential at a super accessible price; think: make your “live in Costa Rica” dream happen today, not years from now (financing available). You can walk to the tropical shores at Marino Ballena National Park! You are also close to the amenities of Uvita, including grocery stores and farmers markets, restaurants, health clinics, even a pickle ball club. And this property is quiet... located on a safe, dead-end neighborhood street where there are no truck noises nor the constant passing of motorcycles. The open studio floor plan has a charming and modern kitchen, a full bathroom with an oversized shower, and custom-made teak wood furniture. The king-sized hand-crafted teak bed frame is perfectly designed to store luggage underneath.
