Property Description

Manuel Antonio Tree House Villa #6 is a spectacular four-bedroom luxury jungle villa located in the heart of Manuel Antonio, offering a unique blend of nature, privacy, comfort, and investment potential. Part of an exclusive collection of only six boutique tree-house villas, this spacious 4-bedroom, 4.5-bathroom villa is surrounded by lush tropical jungle and abundant wildlife, creating an immersive Costa Rica experience just minutes from the beach, restaurants, marina, and Manuel Antonio National Park. Designed to comfortably accommodate up to 12 guests, Villa #6 features two king beds, four queen beds, a fully equipped luxury kitchen, spacious indoor and outdoor living areas, private infinity-edge pool with waterslide, BBQ area, fast WiFi, air conditioning, daily housekeeping, and included Costa Rican breakfast. Guests also enjoy access to the Sukia Butterfly Farm and transportation to the exclusive Arenas del Mar Beach Club and beach area.
