Property Description

Recently remodeled Casa Divya in Villa Real, Santa Ana, Costa Rica, is a modern luxury residence with tropical accents, mountain and forest views, and a multilevel layout designed for comfortable family living and entertaining. Set on a 1,500 m2 property with landscaped gardens, open terraces, and a solar heated saltwater pool, the home balances natural light, indoor outdoor connection, and an established setting within one of the most recognized residential communities between Escazú and Santa Ana on the western side of the Central Valley. Casa Divia welcomes you with its main social area, featuring travertine marble floors, a grand living room with an integrated dining area, and a remodeled fireplace that gives the space a renewed focal point. Floor to ceiling windows bring in natural light throughout the day while framing views of the Santa Ana mountains, Pacific sunsets, and the private swimming pool.
