Property Description

Welcome to 22 Plaza Carlota, a beautifully designed 2-bedroom, 2-bathroom condominium located in the heart of Las Catalinas, Costa Rica's premier car-free, walkable beach town. This exclusive residence offers a seamless blend of coastal charm, modern comfort, and investment potential—just steps from Playa Danta, the Beach Club, Copper & Stone Market and some of the area's most sought-after dining experiences. Inside, the home features a bright open-concept living, dining, and kitchen area, thoughtfully designed to maximize natural light and create an inviting atmosphere. The layout is both functional and elegant, ideal for full-time living or vacation use. The primary suite provides a private retreat, while the second bedroom offers flexibility for guests, family, or rental occupancy. With approximately 1,300 sq ft of living space, this residence offers generous proportions rarely found in comparable units .
