Property Description

Rare Opportunity to Own Secure Storage in Gated Villagio, Playa Potrero Villagio Storage Unit 10 offers secure storage space for sale in Playa Potrero, Guanacaste, Costa Rica. The property includes a 15 m² storage unit located within the gated Villagio development, priced at \$30,000. Designed as a practical lock-and-leave solution, the unit is suitable for storing business inventory, surfboards, golf carts, recreational equipment, tools, and personal belongings. With 24/7 security and convenient access, it provides a reliable option for homeowners, business owners, and seasonal residents in the area. Situated in the heart of Playa Potrero, the property is within easy driving distance of nearby communities including Surfside, Flamingo, and Brasilito, with access to local businesses, residential neighborhoods, and essential services. Secure storage options in this coastal region are limited, making this a practical opportunity for buyers seeking additional space in one of Guanacaste's most desirable beach communities.
