Property Description

Solaris: Luxury Apartment in Gray (503m²) with Views in Santa Ana Design Your Masterpiece: 503 m² of Exclusivity in Solaris, Torre Fuego: Located in the prestigious Alto Las Palomas sector, this stunning apartment in Solaris redefines the concept of customization. Situated at the ideal convergence point between Escazú and Santa Ana, this unit in Torre Fuego represents the perfect blank canvas for those who demand spaciousness, luxury, and the absolute freedom to design their home from scratch. **Architectural Freedom and Total Personalization:** Unlike other finished options, this property of 503 m² of private construction is delivered in gray work. This is your greatest competitive advantage: it allows you to create a residence that reflects your lifestyle, eliminating the costs and delays associated with demolishing pre-existing finishes. **Design Potential:** Space optimized to comfortably accommodate up to 4 spacious bedrooms.
