Property Description

A rare and extraordinary opportunity awaits in Costa Rica's southern zone. This 343-hectare estate, located just minutes from the coastal town of Dominical and the peaceful village of Barú, is a pristine showcase of the country's rich natural diversity. Known as "A River Runs Through It," this expansive property is graced by over kilometers of the Barú River winding through its heart. This stunning feature enhances its ecological value and visual allure. In addition to the Barú River, the estate includes multiple year-round rivers and freshwater springs, breathtaking waterfalls, internal roadways, and panoramic views that stretch from the Pacific Ocean to the lush, jungle-covered mountains. It is a true sanctuary of privacy, nature, and scale. The land benefits from well-planned internal infrastructure, providing seamless access throughout the property. As you traverse its network of internal roads, you'll counter diverse environments—from vibrant jungle trails and tranquil, creek-fed valleys to breezy ridgelines and elevated plateaus.
