Property Description

This 1,700 square meter lot is located within the exclusive gated community of Valle Escondido, a boutique residential enclave known for its privacy, limited number of homes, and serene natural surroundings. Ideally positioned with easy access to Route 27 and in close proximity to the Santa Ana Country Club, the property offers both convenience and an elevated lifestyle in one of the most sought after areas of Santa Ana making it a strategic opportunity within today's Costa Rica luxury investment landscape. The lot's west facing orientation provides the perfect setting to enjoy spectacular sunset views, creating a warm and inviting backdrop for a future custom home an increasingly desirable feature within Santa Ana real estate. Its generous size allows for versatile architectural design, expansive outdoor living areas, and beautifully landscaped gardens. Additionally, the seller has architectural renderings for a home specifically designed for this lot, which can be made available to the new owner offering a valuable head start for those looking to bring their vision to life.
