Property Description

Welcome to Casa Rebecca, a beautifully crafted 4-bedroom, 4-bathroom custom home located in the exclusive beachfront community of Las Golondrinas within Hacienda Pinilla. Built by the highly respected Freddie Builders—known throughout the area for their quality construction and refined finishes—this home has been meticulously maintained by its original owners and has never been rented. Positioned on one of the most desirable lots in Las Golondrinas, Casa Rebecca enjoys a premier location on the southern side of the community, backing onto a lush jungle buffer with a seasonal creek that keeps the landscape vibrant year-round. The result is a private tropical sanctuary, where monkeys and native wildlife move through the towering Costa Rican trees. Just a short 2-minute walk from the home, you'll find one of Hacienda Pinilla's most beautiful beaches—featuring white sand, tide pools, and excellent snorkeling.
