Property Description

In a few rare places around the world, magic still happens naturally. In even fewer places, that magic happens every day. This approx 165-acre, waterfront, rainforest lodge receives visitors from all over the world who have come to experience the magic of the neo-tropics for the last 12 years. The visionary owners designed, built, and managed the lodge, and now it is available for purchase for the first time ever. The property includes approx 200 meters of pristine beach frontage, a private pier, beach-front yoga platform, welcome area, a main lodge with bar and restaurant, 5 individual 2 & 1 bedroom bungalows, a guest house with 4 individual en-suite rooms, and a 2 level, 3 bedroom owner's house. The property is also very well outfitted with the necessary infrastructure to operate an off-the-grid, world-class lodge including employee housing, generators, solar panels, independent water system, laundry facilities, storage and work areas.
